## Independent Accountant's Report on Applying Agreed-Upon Procedures

February 26, 2019

Mr. Leroy Smith, Director  
South Carolina Department of Public Safety  
Blythewood, South Carolina

We have performed the procedures described in Attachment 1, which were agreed to by the management of the South Carolina Department of Public Safety (the Department), on the systems, processes and behaviors related to financial activity of the Department for the fiscal year ended June 30, 2018. The Department's management is responsible for the systems, processes and behaviors related to financial activity. The sufficiency of these procedures is solely the responsibility of the specified parties in this report. Consequently, we make no representation regarding the sufficiency of the procedures described in Attachment 1 either for the purpose for which the agreed-upon procedures report has been requested or for any other purpose.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be an opinion or conclusion, respectively, on the systems, processes and behaviors related to financial activity of the Department. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The concept of materiality does not apply to findings to be reported in an agreed-upon procedures engagement. Therefore, all findings from the application of the agreed-upon procedures must be reported unless the definition of materiality is agreed to by the specified parties. Management of the Department has agreed that the following deficiencies will not be included in the State Auditor's Report on Applying Agreed-Upon Procedures:

- Errors of less than \$1,000 related to cash receipts and non-payroll cash disbursements transactions.
- Errors of less than \$1,000 related to reporting packages.

This report is intended solely for the information and use of the management of the South Carolina Department of Public Safety and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

George L. Kennedy, III, CPA

**Agreed-Upon Procedures - South Carolina Department of Public Safety (K05)**

**Cash Receipts/Revenues**

1. Compare current year revenues at the subfund and account level from sources other than State General Fund appropriations to those of the prior year. Obtain from management an understanding of variations over \$5,000 – General Funds, \$150,000 – Earmarked Funds, \$25,000 – Restricted Funds, \$150,000 - Federal Funds and 10%.
2. Randomly select twenty-five cash receipts transactions and inspect supporting documentation to:
  - Agree transaction amount, date, payor, document number, and account classification to the general ledger.
  - Determine that revenues/receipts were deposited in a timely manner, in accordance with Proviso 117.1 of the Appropriation Act.
  - Ensure that both revenue collections and amounts charged are properly authorized by law.
  - Determine that receipts are recorded in the proper fiscal year.

We found no exceptions as a result of the procedures.

**Cash Disbursements/Non-Payroll Expenditures**

3. Compare current year non-payroll expenditures at the subfund and account level to those of the prior year. Obtain from management an understanding of variations over \$450,000 – General Funds, \$150,000 – Earmarked Funds, \$50,000 – Restricted Funds, \$100,000 - Federal Funds and 10%.
4. Randomly select twenty-five non-payroll disbursements and inspect supporting documentation to determine:
  - Transaction is properly completed as required by Department procedures; invoice(s) agree(s) with general ledger as to vendor, amount, number, and date.
  - All supporting documents and approvals required by Department procedures are present and agree with the invoice.
  - The transaction is a bona fide expenditure of the Department.
  - The transaction is properly classified in the general ledger.
  - Disbursement complied with applicable State laws, rules, and regulations including the State Consolidated Procurement Code, state travel regulations etc.
  - Determine that disbursements are recorded in the proper fiscal year.
  - Clerical accuracy / confirm proper sales/use tax.

For federally funded cash disbursements/non-payroll expenditures selected, inspect supporting documentation to determine:

- Charges are necessary and reasonable for the proper administration of the program, incurred during the approved grant period, given consistent accounting treatment and applied uniformly to both federally assisted and other activities of the recipient.

We found no exceptions as a result of the procedures.

## **Payroll**

5. Compare current year payroll expenditures at the subfund and account level to those of the prior year. Obtain from management an understanding of variations over \$450,000 – General Funds, \$150,000 – Earmarked Funds, \$50,000 – Restricted Funds, \$100,000 - Federal Funds and 10%.
6. Compute the percentage distribution of fringe benefit expenditures by fund source and compare to the actual distribution of recorded personal service expenditures by fund source. Obtain an explanation of variations greater than 10%.
7. Compare the percentage change in personal service expenditures between the current year and prior year to the percentage change in employer contributions expenditures between the current year and prior year. Obtain an explanation of variations greater than 10%.
8. Randomly select twenty-five employee payments and inspect supporting documentation during the fiscal year to:

### **For Salaried Employees:**

- Obtain and inspect the employee's payroll and/or personnel file for various forms, communications, etc., to confirm that the person is a bona fide employee of the Department.
- Agree gross pay to supporting documentation confirming all changes to gross salary for the year. Determine that all changes have been properly approved.

### **For Hourly Employees:**

- Obtain and inspect the employee's payroll and/or personnel file for various forms, communications, etc., to confirm that the person is a bona fide employee of the Department.
  - Confirm the hourly rate and time sheets are properly approved; recalculate gross pay.
9. Randomly select twenty-five employees who terminated employment during the fiscal year to determine if they were removed from the payroll in accordance with the Department's policies and procedures, that the employee's last pay check was properly calculated and that the employee's leave payout was properly calculated in accordance with applicable State law.
  10. Randomly select twenty-five employees hired during the fiscal year to determine if they were added to the payroll in accordance with the Department's policies and procedures and that their first pay check was properly calculated in accordance with applicable State law.

## **Finding:**

A discrepancy of approximately \$70 was noted between the supporting documentation and the payment for one of the new hire paychecks inspected.

## **Management's Response:**

We acknowledge and hereby agree with this finding. The pay discrepancy in question occurred when a new employee was placed on an incorrect work schedule rule in the South Carolina Enterprise Information System (SCEIS). The agency believes this was an isolated incident and a pay correction has been submitted. Additionally, to ensure the work schedule rules for all employees are accurately reflected in SCEIS, we will be completing an agency-wide audit to prevent future errors in pay related to this finding.

## Journal Entries and Transfers

11. Haphazardly select fifteen journal entries and ten transfers for the fiscal year to:
  - Trace postings to the general ledger, confirming amounts agree with supporting documentation.
  - Confirm transaction is properly approved.
  - Inspect supporting documentation to confirm the purpose of the transaction.

We found no exceptions as a result of the procedures.

## Reporting Packages

12. Obtain copies of fiscal year end reporting packages submitted to the Office of the State Comptroller General (CG). Inspect the Master Reporting Package Checklist to determine the appropriate reporting packages were prepared and submitted by the due date established by the CG's Reporting Policies and Procedures Manual.
13. In addition to the procedure above, perform the following:
  - Cash and Investments Reporting Package

Determine if responses are reasonable/accurate based on inspection of the South Carolina Enterprise Information System (SCEIS) general ledger, the SCEIS Yearend Reporting - Cash and Investments report and/or Department prepared records. In addition, determine if amounts agree to State Treasurer's Office Composite Bank Account reports and year end reconciliations.
  - Grants and Contributions Revenue Reporting Package

Haphazardly select ten grants to determine if the reported beginning and ending fund balances, receipts, qualified expenditures, fund, grant number, and CFDA number agree to the SCEIS general ledger and/or SCEIS Display Grant Master. In addition, recalculate the reported total receivables and deferred revenue to determine accuracy.
  - Other Receivables Reporting Package

Haphazardly select three items comprising the existing/current balance and three items comprising corrections and determine if reported amounts are accurate based on inspection of the SCEIS general ledger, the SCEIS Yearend Reporting - Accounts Receivable Current with Customer report and/or Department prepared records.
  - Capital Assets Reporting Package

Determine if responses and reported amounts are reasonable/accurate based on inspection of the SCEIS general ledger, the SCEIS Asset History Sheet and/or Department prepared records. In addition, haphazardly select and inspect five capital asset acquisitions and five retirements and determine that assets were properly coded and classified in SCEIS and ensure that assets conform with appropriate useful lives for depreciation and that the amounts calculated for depreciation and accumulated depreciation were correct. For retirements, ensure that assets were properly disposed in accordance with applicable State regulations.

## Reporting Packages (Continued)

- Operating Leases Reporting Package

Determine if amounts agree to the SCEIS general ledger, the SCEIS Yearend Reporting Operating Lease Expense w/Vendor report. In addition, based on inspection of invoices and lease agreements, determine if rental payments were properly classified, coded and calculated by inspecting and recalculating the following reported amounts: (1) The effective dates, current expense, and future minimum lease payments for seven haphazardly selected operating leases; (2) Five haphazardly selected contingent rental payments; and (3) Three haphazardly selected payments for each remaining rental payment classifications (Other Detailed Rental Charges and Items to be Subtracted from the SCEIS Report).

- Accounts Payable Reporting Package

Haphazardly select ten payables to determine if reported amounts were properly identified, classified, and reported based on the inspection of the SCEIS general ledger, SCEIS Yearend Reporting - Prior Year Payables with Vendor, SCEIS Yearend Reporting – Inter-Agency Prior Year Payables, and/or Department prepared records.

- Interfund Payables and Receivables Reporting Package

Determine if responses and reported amounts are reasonable/accurate based on the inspection of the SCEIS general ledger, SCEIS Yearend Reporting – Inter-Agency Prior Year Payables and/or Department prepared records.

- Subsequent Events Questionnaire

Determine if responses are reasonable/accurate and any required supplemental information was properly prepared and submitted based on inspection of the SCEIS general ledger and/or Department prepared records. In addition, haphazardly select five payables from the Subsequent Events Accounts Payable Worksheet and determine if the amounts were properly classified, calculated, and reported and excluded from the original Accounts Payable Reporting Package submission.

We found no exceptions as a result of the procedures.

## Composite Reservoir Accounts

14. Obtain a listing of Department composite reservoir accounts and confirm with Department management that the listing is complete.
15. Obtain fiscal year monthly reconciliations for each composite reservoir account and for four haphazardly selected reconciliations, perform the following procedures:
  - Determine that selected reconciliations were timely performed, reviewed, and properly documented in accordance with State regulations, and are mathematically correct.
  - Agree applicable amounts from reconciliations to the general ledger.
  - Agree applicable amounts from reconciliations to the State Treasurer's Office monthly reports.
  - Determine if reconciling differences were adequately explained and properly resolved.
  - Determine if necessary adjusting entries were made in the accounting records.

## **Composite Reservoir Accounts (Continued)**

16. Inspect five haphazardly selected composite reservoir account receipts to determine that they were properly described and classified in the accounting records in accordance with the Department's policies and procedures and State regulations and that they were recorded in the proper fiscal year, and that any retention or remittance of revenue is supported by law.
17. Inspect five haphazardly selected composite reservoir account disbursements to determine if these disbursements were properly described and classified in the accounting records in accordance with the Department's policies and procedures and State regulations, were bona fide disbursements of the Department, were paid in conformity with State laws and regulations and that goods and/or services were procured in accordance with applicable laws and regulations.

We found no exceptions as a result of the procedures.

## **Internal Audit Reports**

18. Inspect the Department's internal audit reports beginning with the end date of prior year fieldwork through the end of our fieldwork.

We found no other matters related to our procedures.

## **Governance, Risk and Compliance (GRC) SCEIS Module**

19. Select all (four) controls identified through the SCEIS GRC system and inspect mitigating control documentation. Confirm with management that the controls are operating as designed.

We found no exceptions as a result of the procedures.

## **Appropriation Act**

20. Inspect the Appropriation Act work program, provided to and completed by management, confirming areas of noncompliance, if any.
21. Confirm compliance with the Department-specific state provisos by inquiring with management and observing supporting documentation, where applicable.

We found no exceptions as a result of the procedures.

## **Status of Prior Findings**

22. Through inquiry and inspection, determine if the Department has taken appropriate corrective action on the findings reported during the engagement for the prior fiscal year.

We found no exceptions as a result of the procedures.
